## ASSIGNMENT OF INVENTION

WHEREAS, Max Wasserman and Manuel Hernandez, herein Assignors, has invented a certain new and useful invention (herein Invention) in Method and System For Transferring Funds and Video Messages, described in the United States Provisional Patent Application entitled in Method and System For Transferring Funds and Video Messages, filed on February 27, 2001, Serial No. 60/271,919;

AND WHEREAS, Viotran LLC, a limited liability company under Florida law, herein Assignee, whose address is 455 S. Orange Ave. Suite 100 Orlando Florida 32801, desires acquiring the entire right, title and interest in to and under the said Invention and any patent application thereon and all rights thereunder;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) in hand paid, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the said Assignors, have sold, assigned, transferred, set over, and by the presents do sell, assign, transfer and set over, unto the said Assignee, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the said Invention, and all rights in any country to any patent and patent application thereon, including, but not limited to, any and all causes of action based thereon and any and all claims, both past and future, to damages royalty, or any other compensation, and any utility patent application based on the provisional application and the priority rights thereto pursuant to the International Convention for the Protection of Industrial Property, including the right to filed in Assignees' name an international patent application under the Patent Co-operation Treaty, and to all divisions, renewals, and continuations and the like of any patent application thereon, and all extensions, renewals and reissues and the like of any patent thereon; and hereby authorizes and requests the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents, to issue the patents on the aforesaid applications to the said Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND THE ASSIGNORS HEREBY warrant that they have the full right to convey the interest herein assigned, and that they have not executed, and will not execute, any agreement in conflict herewith, and that the rights and benefits assigned hereunder are free and clear of any lien, encumbrance, adverse claim or interest, and that they have not licensed anyone under the Invention or said patent applications.

AND THE ASSIGNORS HERBEY further agree to communicate to the said Assignee, its successors, legal representatives and assigns, any facts know respecting said Invention, and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuing and reissue applications and the like, make all rightful oaths or declarations, and generally do everything reasonable to aid the said Assignee, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said Invention in all countries.

IN TESTIMONY WHEREOF, the Assignors hereunto set their hand and seal this 27 day of August, 2001.
